

ST. PATRICK'S ELEMENTARY SCHOOL **STUDENT LED CONFERENCES 2017**

Dear Parents,

3 Way Student Led Conferences will be held on **Thursday, January 26, 2017**. *There will be no regular classes on this day as the conferences will take place throughout the day.*

Everyone will book their own conference times online. This way you can get the times you want if you book early. If you have trouble booking please stop by the office.

*Copy the link www.ptcfast.com/reg1 into your web browser.

*It will ask for an **entry code**. Please see the list below. Enter the code that applies to you.

*You must use a working email address in order to book and receive confirmation.

*You will then receive an email which will allow you to pick a time.

*There are 4 spaces per 30 minute time slot. Please scroll down to see all the time slots still available.

***Please be sure to record your conference times as you book them.**

***You must book a time for each of your children separately by grade.**

***If you have more than one child be sure to book as soon as possible so that you can get the times you want in close proximity.**

As you are aware, these conferences are based on the rationale that children are capable of taking responsibility for their work and for reporting their progress to their parents. It is felt that this type of conference helps to build confidence as well as improve their communication skills. The children themselves conduct the conference. They show their parents their folders of work, discuss their progress, and demonstrate some of their skills. The teacher will meet with each group for 5-10 minutes. Together you will set a goal for the child to work on for next term.

This is a special time for your child and it will be more rewarding for both you and your child if other siblings are not competing for your attention. Please do not bring children who are not of school age to the Conference.

If after the conference you feel you need a parent/teacher interview without your child present, please make an appointment with the teacher for a later date.

The teachers are preparing your children for these conferences and are looking forward to meeting with you and your child.

Sincerely,

Deacon M. Boreham,
Principal
