### **ADMISSION POLICY**

Admission to St. Patrick's Preschool program is separate from our Kindergarten – Grade 7 program.

3 and 4 year old children are eligible for preschool enrolment if they are at least 3 years of age on December 31<sup>st</sup>, 2018. Admission to preschool is based on our established preschool admission priority policy.

Parents wishing to apply for our Full-Day Kindergarten program may do so in January of the year their child turns 5. Applications will be date stamped and considered on the basis of our established school admission priority policy.

In the event that applications qualify students in every way possible but enrolment does not permit us to accept every qualified student, we will consider the date of application to be the determining criteria.

If parents request, the school will maintain a waiting list for eligible students; and parents will be contacted as enrolment permits.
