Newsletter

Dear Parents,

February is here and although it may be the shortest month of the year, the students will have new and exciting experiences this month.

Thank you for coming to Student Led Conferences. It was a great opportunity for each child to show you their work and set goals for the coming months.

On Pajama Day, please remember to bring any books you no longer want to keep for the book swap.

In preparation for Speech Arts, students have been sent home copies of the Bible Readings, individual poems and class poem. Students do not have to memorize the Bible Readings, but must be familiar with the words. They will be given one of the readings to present to the class on Monday, February 4<sup>th</sup>. On Monday February 11<sup>th</sup>, students will present their individual poems that they have been memorizing to the class. Two students will then be chosen for Bible Reading and two students for individual poem presentation. We will be presenting the class poem in March.

Our Grouse Mountain field trip is booked for February 26<sup>th</sup>. More information will be handed out later this month.
