

April 2019

Dear Parents/Guardians,

Happy Spring! I hope you all had a wonderful Spring Break and are ready for an exciting, successful new term at school. As always, thank you for your continued support 😊

Sincerely,

Mrs. Lancaster

Reminders

1. Students should not bring toys or electronics to school (unless it is for Show and Tell.)
2. Students should still be reading **at least** one book (suitable to their reading level) per night. Please remind them to record their reading in their reading log.
3. Some of the reading log duotangs are looking a little worse for wear! If possible, I would suggest purchasing a new duotang for the remainder of the year.

Curriculum Highlights...

©...tmsecurrim99...

Religion

We will continue to take part in daily morning, lunch and afternoon prayer and talk about the season of Lent and Easter. We will also discuss what it means to be Catholic and share our families own special faith traditions.

Reading and Spelling

Students should continue to read one book a night and have the opportunity to engage in a discussion about what they've read. Please continue to use the "Check for Understanding" strategy.

We continue to do silent reading, buddy reading and guided reading in the classroom.

Mathematics

We will be continuing with addition and subtraction. We will also be starting a unit in geometry. Please make an extra effort to point out 2D and 3D shapes in the environment/your home!

Theme Work

This month, students will begin to learn about living things vs. non- living things. From there, we will learn about the physical characteristics of plants and animals.
